- 1 -Candy Cane Lane Layered Chipboard 16509450
- 1 -Candy Cane Lane 6 x 12 Chipboard 16515452
- 1 - Chipboard insert 12 x 12" 12424589

Tools needed:

- Adhesive, Foam Squares
- Ruler
- Paper trimmer/ scissors
- 3" circle punch
- Glitter

Designer tips :

- Glitter can be used as desired to add sparkle and dimension to your layout.
- Experiment with embellishments before adhering them, to ensure proper placement.

Instructions-

Step 1: BASE- Trim Shadow Dot to 12 x 12". Cut Countdown to 7 x 10", center on Shadow Dot and attach approximately 1 ¼" from top edge with gray side up. Next cut Wonderland 3 ½ x 10" and attach directly below Countdown piece with green side up. Add brads and chipboard ornaments to Noteworthy Tree piece then adhere approximately ¾" from the left edge of the Countdown piece. Punch yellow circle with a 3" circle punch from Buttercup Dot paper and place on right side of Countdown paper about 2" from the corner.

Step 2: LAYERED FRAME-

Prepare pieces to create layered frame by cutting the following papers to 11 ½ x 11 ½"- chipboard insert, Charcoal Dot, Jade Dot and Naughty or Nice.

Layer 1- Measure, mark and cut at 1 3/8" from all outside edge on chipboard insert and Charcoal Dot. Remove and preserve center piece of chipboard and Charcoal Dot.

Layer 2-Measure, mark and cut 1 ¼" from all outside edges of the Jade Dot.

Layer 3-Measure, mark and cut 1" from all outside edges of Naughty or Nice paper. Layer and adhere the cut frame pieces as listed: Charcoal Dot to chipboard, Jade Dot to Charcoal, Naughty or Nice to Jade. Center frame on base and attach to base page.

Step 3: Cut a 1" x 11 ½" strip of Buttercup Dot and ¾ x 11 ½" strip from December. Attach December strip to Buttercup Dot strip and then adhere to page as shown covering the seam between the papers.

Step 4: PHOTO MAT- Cut a 5 ¼" x 6 ¾" piece of Charcoal Dot and chipboard from previously saved pieces. Attach Charcoal Dot to chipboard. Cut, center and attach a 4 ½" x 5 ¾" piece of Shadow Dot on the Charcoal Dot. Attach photo. Use foam squares to attach.

Step 5: Add Noteworthy and chipboard pieces as shown.
