- 1 -Tutu Glitter Spray 11837620
- Various BoBunny Stamps: Stitches Stamp, Flourishes & Such Stamp, Gateway Stamp, Romance Stamp, Powder Mountain Stamp, and other assorted stamps as desired.

Tools needed:

- Adhesive
- Distressing tool
- Paper trimmer/ scissors
- Ink
- Stamp block
- Sanding tool

Step 1: Base paper is Madeleine Paper (pink side). Stamp edges with Stitches Stamp.

Step 2: Top paper is Madeleine, cut to 11 ½ X 11 ½; sand and curl edges. Adhere to base paper allowing edges to curl up a bit.

Step 3: Adhere doily in upper right corner; attach photos on top of doily.

Step 4: Cover photos and spray entire paper with Tutu Glitter Spray.

Step 5: Add stamps in various places on layout; place jewels on top.

Step 6: Gather 4 petals to create a flower and add jewel in the middle. Repeat to create 4 flowers.

Step 7: Place flowers and Noteworthy pieces in top right corner of photos and bottom left of photos in clusters.

Designer tips:

- Spraying with Glitter Spray will automatically make paper 'warp' and curl, giving your layout a timeworn look.
- Petals can be mixed and matched to create different looks.
- Stamping across paper and photo at the same time gives a more cohesive feel.
