

## Treat Bag

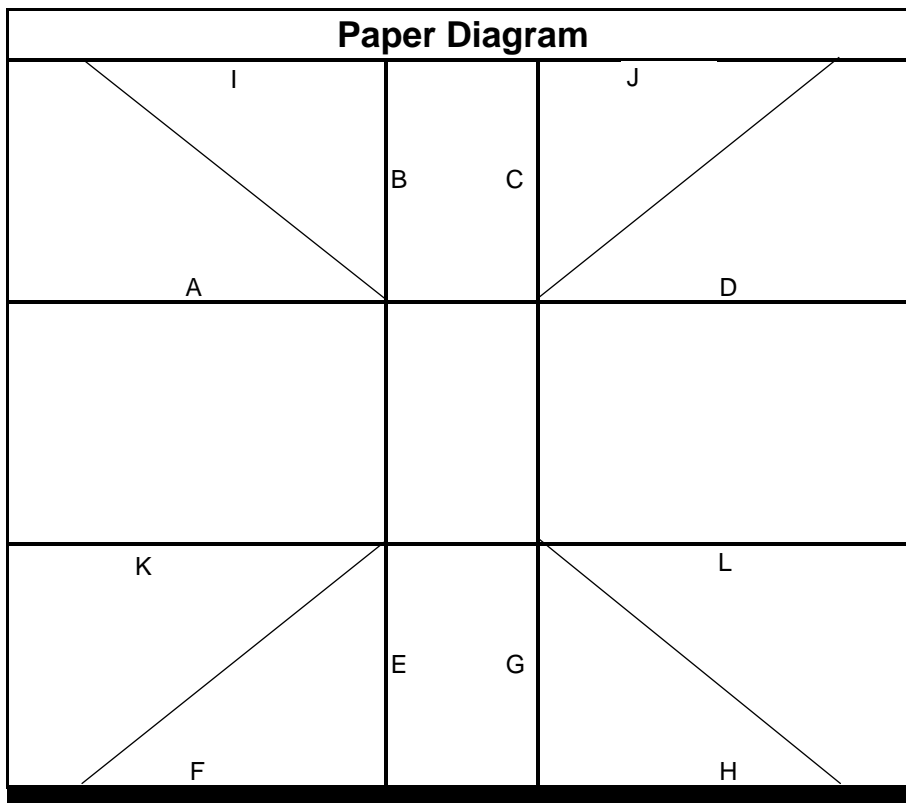

1. Cut off header

2. Position paper on score pal so that the outside of the treat bag is face down, score at 4 & 8 inches then rotate paper once to the right and score at 5 & 7 inches

3. Fold on every score line

4. To create the sides of the bag look at paper diagram and do the following: Fold B to A, Fold C to D, Fold E to F, Fold G to H. Crease inside each fold to create edge.

Note: The Lines through the center of boxes on the diagram will be created by folds in step 4.

5. Applying Adhesive:

**On the inside:** Apply adhesive down the center of A, D, K, and L

**On the Outside:** Apply adhesive to I, J, F, H

**NOTE:** apply adhesive to edge closest to lines B, C, E, and G

6. Assembling bag: Peel tape off of D, and L. Lay D flat and press, then peel J and lay flat so that edges meet. Repeat this process with L and H. Repeat with other sides A and I, K and F.

7. Punch two holes at top to thread ribbon. Add ribbon and your treat bag is complete!
